Date policy created: 11 July 2018

Policy version: 1.2 Review date: Term 4 2022

Policy contributors: H Downes, J Costa and GC Uniform and Policy Committee

## Rationale

The first and most common impression of Modbury High School (MHS) in our community is given by our students in uniform on their way to and from school, or whilst on excursion. The MHS uniform serves multiple purposes:

- Keeps with an ethos of excellence and respect in the school;
- Projects a positive image in the community;
- Gives the school a unique identity;
- Creates a sense of belonging and equity for students;
- Practical for a range of weather conditions and activities;
- Ensure students keep within health, safety, decency and community standards; and
- Eliminates competition for 'fad' clothing or brand names, plus the wearing of inappropriate accessories or clothing items.

## Objectives

The MHS Uniform Policy documents the acceptable standards of clothing worn by students at the school.

The school recognises the diverse community that constitutes its population and respects the religious and cultures beliefs of its members. At times this may require a special allowances in terms of the uniform to support the beliefs of a student and their family. Specific medical conditions may also require an exemption, in all cases, religious, cultural or medical an application detailing the exemption required should be made in writing to the Principal.

## 4. Enforcement and non-compliance:

## 5. Legislation:

Uniform policy is written pursuant to Regulation 86 of the *Education Regulations 2012*.

## Policy review:

The school's Governing Council has the discretion to establish a formal review process for their school dress code, which will allow student and parent groups within the schools community to seek review when the circumstances change significantly or issues arise. For example receipt of a written request to the Principal.

The school council and staff will regularly monitor and review the effectiveness of the Uniform Policy (at least every three years) and revise the policy when required.
