

World Challenge & Modbury High School - Expedition to Vietnam 2017!

World Challenge presents the Modbury High School expedition to Vietnam in December 2017!

Dear Parent,

Modbury High School is delighted to announce that we are once again launching a very exciting program which offers students the opportunity to plan, fund and lead their own 3 week expedition to Vietnam. This is a fantastic opportunity for students looking to do something meaningful with their peer group and have the adventure of a lifetime!

The expedition to Vietnam is preceded by a training and preparation program, during which students play a major role in planning their own itinerary which will include;

- [Project work in a local community](#)
- [A challenging trek.](#)
- [Rest and Relaxation](#)

Students are also supported in setting and achieving individual and team fundraising goals to help cover the cost of the expedition program, where on average, students raise over half of the total program cost.

I would like to invite you and your son or daughter to a presentation delivered by a member of the World Challenge team who will discuss the benefits of the program, the fundraising support and safety back-up they provide, and how they deliver a fun, rewarding, and safe experience.

- **Date:** **Thursday 26th May 2016**
