

Date: Thursday 26th May 2016
Time: 6.00pm
Venue: Modbury High School

World Challenge presents the Modbury High School expedition to Vietnam!

Dear Parent,

You will have received an email about the upcoming World Challenge Expedition Parents' night at Modbury High School next Thursday.

We hope after reading this and talking to your son or daughter that you'll consider spending 40 minutes with us on Thursday night to chat with World Challenge and the school about what we think is an important and exciting opportunity to expand the skills and experiences of your child as they continue their education.

Southern Vietnam

Acclimatisation

Teams will spend a few days acclimatising in either Ho Chi Minh City or Hanoi before moving on to a trek in a National Park. The flora and fauna on these treks are stunning and the guides have an incredible wealth of knowledge.

Trekking

Teams will trek in the Dalat region of southern Vietnam through jungle-blanketed valleys. The treks put the students' camping skills to good use and provides them with opportunity to learn about the jungle environment.

Community Engagement

Teams carry out project work in both rural and town locations, including work in villages, kindergarten schools, disabled orphanages and caring centres. This is an excellent opportunity for cultural exchange with the children who are eager to work with the teams on renovation tasks.

R&R

Southern Vietnam offers abundant R&R options including visiting the once proud palaces of the Nguyen emperors in Hue, enjoying the lazy beaches of Nha Trang or heading out from Ho Chi Minh City to visit the floating markets of the Mekong Delta.

RSVP to Ros Hannaford — *I will be able to attend the World Challenge Parents' Presentation on Thursday 26th May at 6pm.*
