

Join our Youth in Emergencies Development Program

**Australian
Red Cross**

Proud to support

Government
of South Australia

A program that will create a diverse community of young, informed change-makers to support the South Australian Disaster Resilience Strategy

- Become a youth leader in emergency management
- Be prepared for emergencies and disasters
- Complete The Duke of Edinburgh International Bronze Award
- Be part of a like-minded youth community
- Build networks in Local and State Government and Emergency Management Agencies

**Australian
Red Cross**

Open to students in years 9–12 from across South Australia

The program will be delivered across the State through face-to-face workshops, online, self-paced and hybrid formats
