

Year 12 Term 1 Holiday Sessions and Expectations

Dear Parent/Caregiver and Year 12 student,

We would like to take the opportunity to provide information to all Year 12 students and their families regarding the upcoming school holiday sessions teachers will be running for certain subjects and some general expectations of the whole Year 12 cohort.

These holidays will provide the students time to take a breath after a busy start to their final year of schooling. As well, the holidays provide the opportunity for students to continue with and catch up on work in their subjects.

It is crucial students dedicate some time during the two weeks on each of their subjects – whether it is to continue critical work on their ongoing assignments for their subjects or getting feedback on their work through the drafting process. Those who have subjects with exams can take the opportunity to start their ongoing revision processes to consolidate their learning so far.

To support our students some of our teachers have organised opportunities for their students to come into school for their different subjects. During these sessions can access assistance and receive feedback, as a checkpoint of their progress so far. We highly recommend and encourage that students attend, as these sessions have been organised to support them in their learning journey and to assist them in being successful in their subjects.

Below is a schedule of times provided to us of when sessions have been organised for the nominated subjects and teachers:

For those students who are coming into school, the following requirements please need to be followed:

- Wear Year 12 shirt and / or jacket as part of appropriate clothing
- Appropriate footwear (closed in shoes)
- Sign in (and then out when they leave school grounds) at the front office on provided sheets of paper
- Bring all appropriate books / equipment required for subject session(s)

Please note: these sessions are the only ones known at the time of this letter being distributed. Some teachers may still organise a session with their students just before the holidays begin and will let their classes know accordingly.

If students are required to be at the nominated session but are unable to attend, they need to please contact their subject teacher directly. This includes any students who are unwell or are isolating due to COVID.

School resumes for Term 2 on Tuesday 30th April (Monday 29th April is a Student Free Day).

If you have any further queries, please do not hesitate to contact us.

Kind regards,
