

## DAYMAP PARENT PORTAL PASSWORD RESET GUIDE

If you can't remember your login details, you can click "Forgot your password?" or "Can't access your account?". You will require your email address which is registered with our school and your child's "ED ID", which is a 10-digit ID number in the format of **123456789A** found on their student ID card or on their Daymap *My Details* page. The school can also provide you with this ED ID over the phone.

Enter the email address you have registered with the school along with a matching valid student code. A link to set your password will be emailed to you.

[Forgot your password?](#)  
[Can't access your account?](#)

This will send an email with password reset link to the registered email address.

This email will also include your Daymap username – it will indicate right above the password reset link what your **account name** is.

If you are still having issues, you can contact our ICT Team during our office hours.

If you need to update your email address, you can either contact our front office or email us; [dl.0964.info@schools.sa.edu.au](mailto:dl.0964.info@schools.sa.edu.au)
