UNIFORM POLICY

Created: 11 July 2018
Policy version: 1.5
Updated: May 2024
Review date: May 2027

Rationale

The first and most common impression of Modbury High School (MHS) in our community is given by our students in uniform on their way to and from school, or whilst on excursion. The MHS uniform serves multiple purposes:

- Keeps with an ethos of excellence and respect in the school;
- Projects a positive image in the community;
- Gives the school a unique identity;
- Creates a sense of belonging and equity for students;
- Practical for a range of weather conditions and activities;
- Ensure students keep within health, safety, decency and community standards; and
- Eliminates competition for 'fad' clothing or brand names, plus the wearing of inappropriate accessories or clothing items.

Objectives

The MHS Uniform Policy documents the acceptable standards of clothing worn by students at the school.

The school recognises the diverse community that constitutes its population and respects the religious and cultures beliefs of its members. At times this may require a special allowance in terms of the uniform to support the beliefs of a student and their family. Specific medical conditions may also require an exemption, in all cases, religious, cultural or medical, an application detailing the exemption for an item of uniform or jewelry should be made in writing to the Principal. Any such exemptions will be recorded on Daymap for that student.

Any other visible jewelry to be removed or covered, a single nose piercing with a small stud or ring in the nostril is acceptable. Septum nose piercings are not acceptable. Medic Alerts such as pendants or bracelets are exempt from this.

- Sandals, ballet style shoes, elastic sided shoes, boots, coloured shoelaces or footwear with markings or stripes.
- Tattoos must not be visible.

3. Temporary Uniform Exemptions:

A temporary inability to wear the full uniform will require a note from parents/caregivers in the student's planner, which is to be taken to the Front Office to allow them to contact YLL for approval. Periods of longer than one day will require written permission from the Year Level Leader, or for a week or more from the Principal.

4. Enforcement and non-compliance:

Breach of the uniform policy, without an exemption, will result in a lunchtime detention in the Learning Centre (F6 in the Flexi).

All staff are responsible for the implementation of the dress code and allocation of consequences for non-compliance.

The Principal will enforce the dress code of the school and may take appropriate disciplinary action in relation to willful and persistent breach of the dress code.

Our policy complies with the Department for Education's "School Dress Code Administrative Instruction" which states that appropriate disciplinary action includes:

- extra duties, for example, cleaning up litter in the school yard for a period of time during breaks, helping staff to set up for school functions, limit schoolyard or oval access at break times or prohibit excursions
- verbal warning to the student
- detention.

5. Legislation:
Uniform policy is written pursuant to Regulation 86 of the *Education Regulations 2012.*

6. Responsibility:
Students wear jewelry and other items at their own risk, MHS is not liable for any loss or damage to items students chose to wear.

Policy review:

The school's Governing Council has the discretion to establish a formal review process for their school dress code, which will allow student and parent groups within the school's community to seek review when the circumstances change significantly, or issues arise. For example, receipt of a written request to the principal.

The school council and staff will regularly monitor and review the effectiveness of the Uniform Policy (at least every three years) and revise the policy when required.
